CONGRATULATING DR. LEILA DAUGHTRY DENMARK ON HER 109TH BIRTHDAY

• Mr. CHAMBLISS. Mr. President, Dr. Leila Daughtry Denmark is truly a remarkable person; she is someone to be greatly admired. Her accomplishments as a doctor and a humanitarian are exceptional. It is with great pleasure that Julianne and I extend our warmest congratulations to her on her 109th birthday.

Today, Dr. Denmark's loved ones gather around her to celebrate her birthday and recognize a lifetime of achievement. Her tireless, selfless, compassion for others is an example to all of us.

Edna Jones, a friend of Dr. Denmark, said it best when she described her as truly a "one of a kind lady." Edna's remarks are right on target, she is a true pioneer. After being the third woman to graduate from Georgia Medical College, she became Egleston Hospital's first intern, as well as Georgia's first pediatrician. She quickly gained expertise and respect, joining with her colleagues to develop the D.P.T. shot which immunizes against whooping cough and tetanus. This breakthrough has saved countless lives all over the world.

Dr. Denmark's kindness and compassion as a human being along with her brilliance and talent as a doctor have earned her considerable praise and recognition. She has been commended by both Georgia's Senate and House legislative bodies—Dr. Denmark has even had a highway intersection named in her honor. In 1998, she was named as one of Atlanta Business Chronicle's Health Care Heroes.

She also published her book, "Every Child Should Have a Chance" in 1971. Her message to parents was how to raise happy healthy children who are well adjusted and well mannered, children who are of virtue and of strong character. Her book and her wisdom have had an impact on numerous parents and children alike and continue to serve as a guide to many.

For 56 years, Dr. Denmark volunteered once a week at Atlanta's Central Presbyterian Clinic, and chances are, if you were a patient of Dr. Denmark, she wouldn't charge you more than \$10 a visit. In everything she does, Dr. Denmark exemplifies a true humanitarian and remains committed to her healing profession. We could all stand to learn from a person like her.

Dr. Denmark has a sincere, no-nonsense devotion to others. She has been an example and an inspiration to generations. I am impressed by her lifetime commitment and service to others. And I know that Georgians are proud to count Dr. Denmark as one of our own.

Mr. President, again, my wife, Julianne, and I are delighted to wish her a happy 109th birthday and continued happiness and health.●

AWARD FOR EXCELLENCE IN EDUCATION

• Mr. DAYTON. Mr. President, I rise today to honor the Pierz Public Schools, in Pierz, MN, which recently earned an Award for Excellence in Education for its exceptional and innovative achievements in educating children.

The Pierz Public School District is truly a model of educational success. Mr. George Weber, the superintendent of the Pierz School District, describes "the overall feeling of pride the citizens have in our schools and in our work ethic, which has resulted in a broad sense of excellence." The District's accomplishments are even more impressive, given that they have occurred during an era of revenue reductions at the State and Federal levels, in a relatively poor community where more than 40 percent of the children qualify for free and reduced lunches, and in a part of the State experiencing falling enrollment and economic decline.

Despite repeated State revenue shortfalls, the Pierz Public School District has managed to preserve a balanced budget. The district operates on a very lean administrative staff, whose superintendent and business manager perform all central administrative functions, including curriculum, human resources, plant management, student services, transportation, and food service. This restraint has allowed the district to devote the vast majority of its resources to the classroom.

The district's commitment to its classrooms has allowed the schools to keep class sizes small—ranging from 19 to 27—with half of the classrooms kept to fewer than 23 students. By contrast, in Minnesota, the number of students per classroom averages between 27 to 30. The district also provides all-day kindergarten for all, which is not supported by the State's school revenue formula.

The Pierz School District has also demonstrated its commitment to providing exceptional facilities for its students. The district has added a new computer lab in each of the past 3 years; remodeled an old gymnasium into a new performing arts center; and built a new gymnasium, an eight-lane running track with state-of-the-art electronic timing equipment, two irrigated baseball fields, and a newly remodeled football stadium.

Much of the credit for the Pierz Public School District's success belongs to Superintendent George Weber, elementary school principal Lealen Swoboda, high school principal Paul DeMorett, and their dedicated teachers. The students and staff at the Pierz Public Schools understand that, in order to be successful, a school must go beyond achieving academic success; it must also provide a nurturing environment where students develop the knowledge, skills, and attitudes for success in life. All of the faculty, staff, and students at the Pierz Public School District

should be very proud of their accomplishment.

I congratulate the Pierz Public School District in Pierz, MN, for winning the Award for Excellence in Education and for its exceptional contributions to education in Minnesota.●

AWARD FOR EXCELLENCE IN EDUCATION

• Mr. DAYTON. Mr. President, I rise today to honor Riverside Elementary School, in Brainerd, MN, which recently earned an Award for Excellence in Education for its exceptional and innovative achievements in educating children.

Riverside Elementary School is truly a model of educational success. On my recent visit to Riverside, 10 fourth-graders shared with me their essays on what makes Riverside a special place to learn. Toni Gohman, Amanda Kunde, Allison Morris, Tom Stoxen, Kallie Konklin, Gretchen Gramer, Paige Phillips, Kaela Middleton, Anna Razidlo, and Emma Higgenbotham are to be commended for their exceptional writing ability and for superbly reading their essays at an all-school assembly.

I would like to quote briefly from several of the essays to offer a true flavor of the exceptional educational achievements at Riverside Elementary.

Amanda Kunde writes, "I feel safe and happy here at Riverside. . . . Mrs. Engler, the teachers and the teachers' assistants are awesome. It's nice to know that people care about me."

Allison Morris writes, "Our teachers make learning fun, interesting & exciting. They . . . not only teach the standard subjects like reading and math, they help teach us to be responsible for our actions, and to respect one another."

Gretchen Gramer writes, "Every student has a different personality. We help each other when we are stuck and when we are hurt. . . . We get rewarded when we are good by a new program called 'Caught Being Good.' . . . We have other great helpers at our school. The custodians, the nurse, the office staff and the cooks all do a great job."

Toni Gohman writes, "Riverside is an awesome school. It has an awesome principal, great teachers, and respectful and kind students."

Tom Stoxen writes, "All of the people at our school are really friendly and helpful to all of the kids. . . . The cooks are really nice and cook good food. We even get seconds sometimes, but not on the dessert."

Paige Phillips writes, "Every day when I come to school I feel safe, and to me that is very important. . . . When I get hurt I always know someone's ready to take care of me."

Kaela Middleton writes, "I am going to tell you what we do in our everyday school day so you know that it is not always fun and games, but that it can also be very hard work."

Anna Razidlo writes, "Riverside deserves this award because we have so
